

Discover Your Major

Explore

- Make** a list of your top majors of interests.
- Review** university catalog for major requirements and courses.
- Take** exploratory class(es) within Gen Ed Distributive areas.
- Conduct** informational interviews to learn about major(s). Your advisor will help connect you and plan the meetings.
 - Talk** with students in the major(s).
 - Meet** with faculty in the major(s).

Evaluate

- Visit** with the Career Development Center (CDC) to assess interests.
- Weigh** your personal interests, CDC insights and academic strengths with your educational and career goals.
- Discuss** with your family.
- Debrief** informational meetings with your academic advisor.

Declare

- Complete** the change of major with your advisor.
- Schedule** a meeting with your new faculty advisor.

Enjoy Your Major!
